New Jersey Lottery Instant Game Players Claimed More Than \$4.2 Million in Top-tier Prizes in July

TRENTON, N.J. – (Aug. 18, 2014) – New Jersey Lottery instant game players claimed more than \$4.2 million in top-tier annuity prizes during July. There were two million dollar Diamond Spectacular winners this month.

Refugio from Oakland in Bergen County was one of those the lucky winners. “My dream has now come true! I can buy a small house and maybe start my own restaurant,” he said. Refugio loves to cook and his favorite cuisines are Latin, Spanish, Greek and Italian. “I had \$20 in my pocket so I spent it,” he said. Refugio bought just one ticket. His final thought was, “Thanks be to G-d.” His lucky retailer is Wine 2 Spirits, 662 Ringwood Ave., Wanaque in Passaic County. They earned a \$16,250 bonus commission for selling the winning ticket.

Another lucky winner this month was Ovisa Osmo from Oakhurst in Monmouth County. M&S Grocery, 120 West End Court, Long Branch in Monmouth County was her lucky retailer and will also receive a bonus commission in the amount of \$16,250.

In total, there were 45 top-tier winning tickets sold from an assortment of game families including the X-Family of games, Crossword, Bingo and more. The complete list of claimed winning tickets is in the chart on the following page.

Playing and winning New Jersey Lottery games is exciting and rewarding for players and is also important to New Jersey businesses. Each time a player wins, so does the ticket-selling

retailer. Retailers earn a bonus on each top-tier prize-winning instant ticket they sell, up to a \$30,000 maximum.

New Jersey residents benefit from Lottery funds generated by ticket sales. Lottery revenue supports educational programs, grants and institutions across the State. Since its inception in 1970, the New Jersey Lottery (NJLottery.com) has contributed more than \$22 billion to the State in support of education and institutions. Among its beneficiaries are: veterans homes, community and other colleges and universities, school nutrition programs, homes for the developmentally disabled, psychiatric hospitals, higher education scholarship programs and the Marie Katzenbach School for the Deaf.

The chart on the following page lists the instant games sold and the lucky retailers who sold the top-tier prizes valued at \$10,000 and above, in July.
